Mail the Wildcat Rewards pilot to Texas customers eligible at 670 FICO

Top 5 states by eligible customers shown. Colorado has a higher share (57%) but only 13 eligible customers

Recommendation: approve Texas as the pilot group

- **Texas has 68 eligible customers without a credit card at the 670 cutoff, more than North Carolina, Georgia, and Colorado combined (51).**
- **43% of Texas customers are eligible and have no card, compared with 20% nationally.**
- **A Texas pilot gives you the most customers to reach with a single mailing.**
